

The Heart of the Matter

Jeremiah 31:27-34

1. God's promise of a new inclination.

How can that be? Because we will have...

- **The law of God written on our hearts.**

2. God's promise of a new association.

How can that be? Because we will have...

- **The life of God cherished in our hearts.**

3. God's promise of a new liberation.

How can that be? Because we will have...

- **The love of God lavished in our hearts.**
