

Thanks be to God!

Pastor David Erickson

Introduction: Someone has said that ninety percent of a contented life is a thankful heart. But.....it is hard to be content and thankful when we are duped into believing that we deserve more than what we are and/or have. Our God is at work in all situations and in every circumstance each day as He has been all of our days. Like the apostle Paul, we need to keep learning to say:

- I. Thanks be to God who always _____
us in His _____ even in our setbacks
(2 Corinthians 2:14)

- II. Thanks be to God who _____ His people
_____ for one another
(2 Corinthians 8:16)

- III. Thanks be to God who _____ His people
with _____ most exquisite gift.....
His only begotten Son. (2 Corinthians 9:15)
