

The Priority of Praise to Our Great God

Pastor David Erickson

Introduction: Since 1680, the Church has been singing Joachim Neander's words, "Praise to the Lord, the Almighty, the King of Creation!" With the increasing secularization of our culture and the mania of global warming, the focus seems to be moving more toward the creation than the Creator. The apostle Paul lamented this when he wrote to the church at Rome, "For they exchanged the truth of God for a lie and worshiped and served the creature rather than the Creator, who is blessed forever. Amen" (Romans 1:25).

In being good stewards of what God has created, we must determine to focus on Him rather than on His creation.

I. The _____ to Praise the Lord (Psalm 113:1-3)

II. The _____ for His Praise
(Psalm 113:4-6)

III. The _____ of His Praiseworthiness (Psalm 113:7-9)
